

# Marketing Specialist (Part-time / Full-time)

Are you a marketing professional with a passion for cutting-edge AI technologies and robotics? Do you want to help build a brand that is redefining the future of hospitality through humanoid innovation?

## About Us

FLAE Robotics is a pioneer in humanoid technologies. We are creating the first AI robotic receptionist for hotels and changing the future of the hospitality industry.

## Summary

We are seeking an experienced and proactive Marketing Specialist to strengthen our brand presence and support our marketing strategy. You will play a key role in communicating the vision of FLAE Robotics and promoting our revolutionary AI humanoid solutions.

## Responsibilities

- Create and manage content for social media (primarily LinkedIn)
- Maintain and update website content, manage newsletters
- Coordinate marketing activities with external agencies
- Prepare, organize, and actively participate in conferences and trade shows
- Develop marketing campaigns and produce promotional materials (flyers, banners, etc.)
- Collaborate with the team to build and grow the FLAE Robotics brand

## Requirements

- Proven experience in content creation and social media management (especially LinkedIn)
- Excellent production and organizational skills
- Experience in coordinating marketing projects
- Strong command of English (verbal and written)
- Valid driving license (Group B)
- Advanced knowledge of marketing tools and platforms
- Effective team communication and collaboration skills

## What We Offer

- Flexible working hours (0.5–1.0 FTE)
- Dynamic environment in AI and robotics
- Opportunity to contribute to a revolutionary transformation in hospitality
- Work with a team of professionals and innovators
- Modern office located in Prague

Be a part of shaping the lifestyle of tomorrow. Join FLAE Robotics and help us build the perfect humanoid staff for the hospitality industry!
